

Overall Summary

Employee Overview

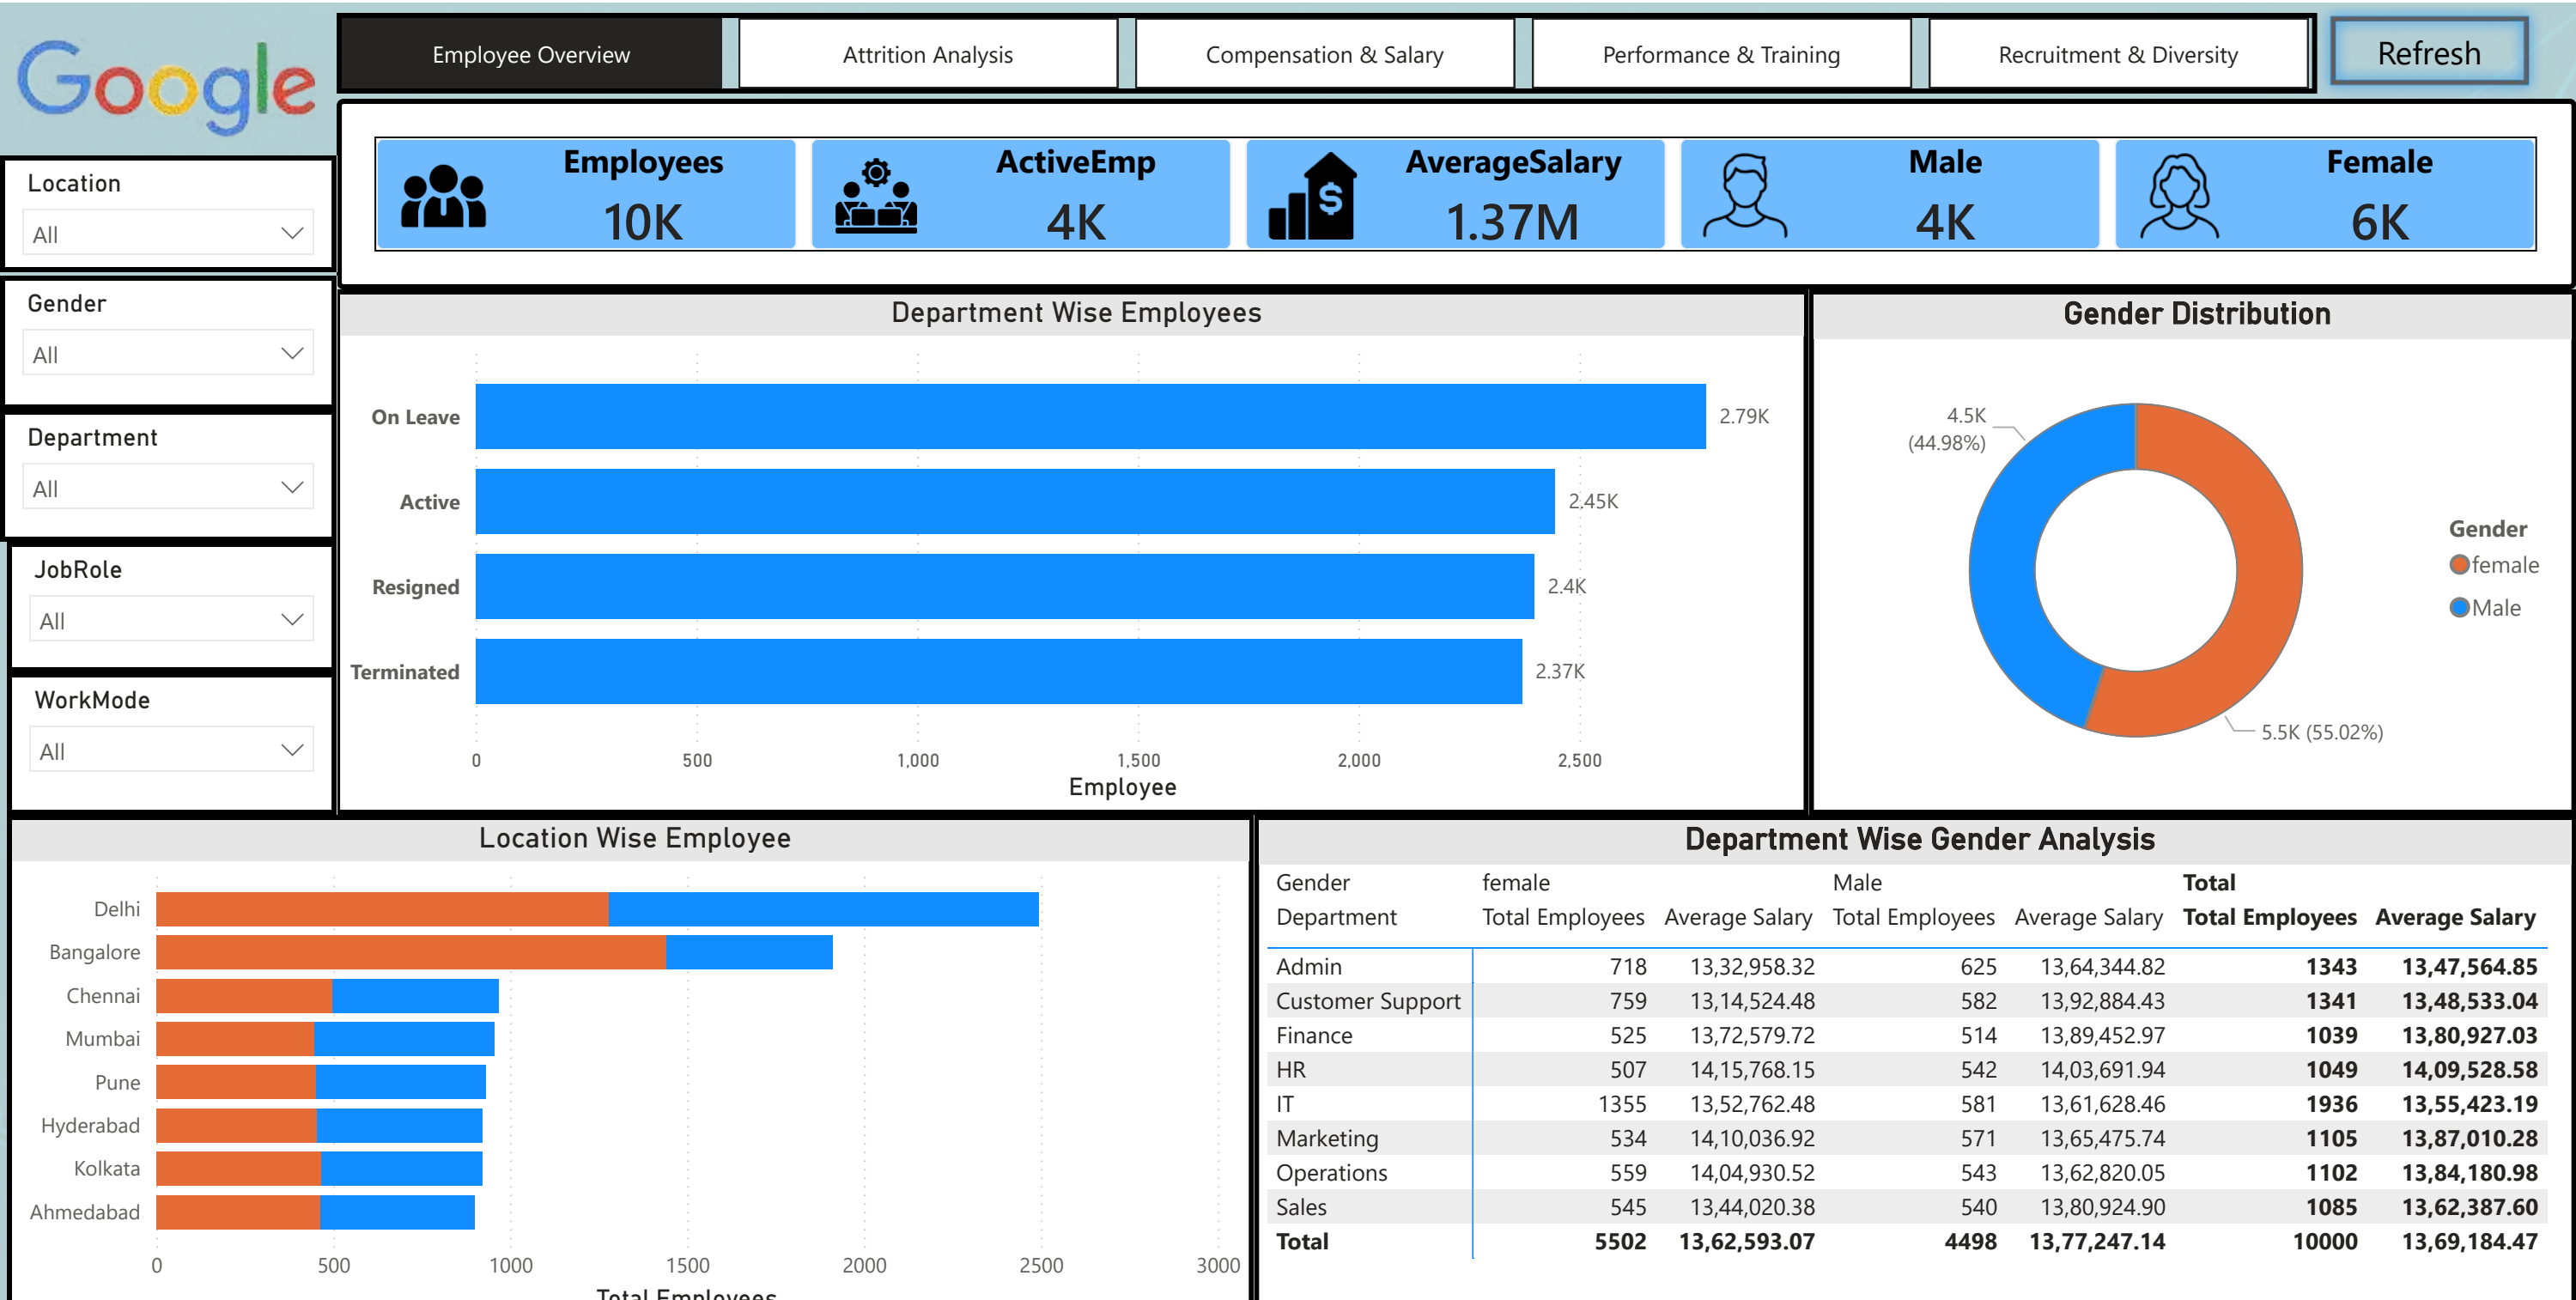

Attrition Analysis

Compensation & Salary

Performance & Training

Recruitment & Diversity

The HR Analytics Dashboard provides a complete and interactive view of workforce performance. It covers employee overview, attrition trends, compensation fairness, performance and training insights, and recruitment diversity. With KPIs, trends, and detailed visuals arranged systematically, plus interactive filters for department, location, gender, and date, the dashboard enables flexible, data-driven decisions on retention, pay, productivity, and inclusive hiring.
